GREEN CAMPAIGN

- Monday was the proclamation at the Commissioners meeting
- 25 letters were sent to churches to get interest, only 3 responded
- There was a news article in The Republican Newspaper
- Dr. Schwalm and Mary VanSickle did a segment with WKHJ
- Posters were distributed to the schools
- Assemblies at the school with Tony Hoffman titled Prison to Olympics
- Dr. Schwalm visited 8-10 businesses
- On May 17 there is a Trauma Informed Care Towne Hall at Northern Middle School
 - Dr. Schwalm will have a booth

Ideas for next year:

- Get a representative from each church, a name/contact
- Invite the church and community to our meetings
- Have children/students color or design posters
- Include local sport team to wear green with their uniform, such as socks, wristband, etc

GO HEALTHY CRELLIN

Weight and blood pressure screenings should be happening soon. We can follow up on this at a later meeting.

WHERE DO WE GO FROM HERE?

- Try to get involvement from Social Services and Dove Center
- Add WIC and Healthy Families

The meeting adjourned at 9:19 a.m.

Respectfully Submitted,

Beth A. Brenneman
