# Q & A

Will I have to tell why I am in the class?  
**No.**

How long does the class last?  
**About one hour.**

Will I get a free prescription for the antidote (Naloxone / Narcan)?  
**Yes, after you complete the course.**

Why is the class being offered?  
**The county, state and country are in the midst of an epidemic. More people are dying of overdoses than in car accidents or suicides.**

Where can someone get treatment for a drug addiction?  
**There are many treatment facilities. Start by calling the Garrett County Health Department at 301-334-7670.**

What if I only want to take the class and not get the antidote?  
**No problem. We can give it to someone else.**

Is this class only for people with an addiction?  
**No, the class is also for persons who care about persons who may have addiction, and they don't want to see them die.**

What if I can't come to a class at the time that is scheduled?  
**No problem. We will take your information and call you when there is a time that might better fit your schedule.**

# WHO?

**Persons who may accidentally overdose.**

**Persons who could be in the presence of a drug overdose.**

**Persons wanting to take the training are often in this situation because of their:**

- Occupation
- Volunteer Work
- Family Member
- Social Experience

## Law Enforcement

*If you are currently addicted or in recovery, feel free to bring a friend or family members for support.*
