#### HEALTH EDUCATION AND OUTREACH/PLAY HARD LIVE CLEAN

Kendra McLaughlin presented a Powerpoint (see attached) detailing the programs her department is responsible for with a focus on Play Hard Live Clean.

The programs include, Worksite Wellness; School Health and Wellness/Youth in Action; After School Programs/Prevention Education; Community Education/Harm Reduction Services; Parent Education; Community Planning Groups/family based activities; Campaigns/Play Hard Live Clean in the elementary schools, the middle schools, and the high schools.

#### AGENCY UPDATES

**GCHD** - There is an online partner satisfaction survey, we need everyone's input, so please access it and complete.

There is a Parent Rally on September 29 at Southern High School. Major Bryson Meyers will give the 411 on drugs; there will be a mock teen bedroom; and information will be available on drugs, etc. There will be a drawing to win 2 WVU football tickets.

There will be a Steps Committee meeting in November to discuss the Health Fair.

**Garrett County Commissioners** - The 150th Anniversary celebration was well attended and there were great displays. They have renamed the CARC to George C. Edwards Aquatic Center.

**Garrett County Hospice** - They are having a fall raffle. Hotdogs for Hospice will be at the Grantsville First United on Friday.

**Appalachian Crossroads** - They are offering respite care as a service to youth with disabilities.

October's HPC meeting will be held in conjunction with the GC Board of Health and will be part of the Commissioner's meeting on October 11, 2022 at 4:00 p.m. in the Commissioner's Board Room. This will give Health Planning a little more exposure to the public and hopefully strike up interest.

*With no further business to discuss, the meeting adjourned at 8:36 a.m. The next meeting is scheduled for October 11, 2022 at 4:00 p.m. in the Commissioners Board Room.*

Respectfully Submitted,

Robert Stephens, MS
