Join us for trauma-informed education, including interactive workshops, to:

- Understand how trauma affects the brain and nervous system
- Discover practical methods for applying trauma-responsive practices in various sectors
- Recognize the importance of working together across different fields to address trauma *and more!*

AHEC West is authorized by the Board of Social Work Examiners in Maryland to sponsor social work continuing education learning activities and maintains full responsibility for this program. This training qualifies for seven Category I continuing education units and is a live, real-time, and interactive learning activity.

Seven General CEUs and seven MSDE CEUs
offered by Garrett College

A Certificate of Completion is also available for this training.
