

GARRETT COUNTY ARTS COUNCIL & GARRETT
COUNTY HEALTH DEPARTMENT PRESENT

Impact **GARRETT COUNTY**

An Open Communities Experience

RESOURCE KIT

Impact Garrett County is a collaborative effort formed by the Garrett County Health Department's Population Health Innovation & Informatics unit, Ideas xLab, and the Garrett County Arts Council to channel community voices as we explore the intersections of art and health, infusing hopefulness.

We're calling on people from every area of Garrett County who would love to create an expression of their perspective of health in their community through various artistic disciplines. There's a kick-off event with free food and some fun activities on Nov 7, 2019 at Our Town Theatre @ 7 pm.

Best part....there's funding available! Simply fill out an IMPACT application (one page form) and tell us a little bit about your project and/or team. If funding is needed to complete the project, specify how the funding will be used on the application. Projects do not need to request funding, but all projects will need to fill out the form and await committee approval.

We're hopeful there will be sketches, poetry, dance, storytelling, paintings, music, theater productions, and photography to name a few showcased at the culmination event the first week in May of 2020.

GARRETT COUNTY ARTS COUNCIL & GARRETT
COUNTY HEALTH DEPARTMENT PRESENT

Impact
**GARRETT
COUNTY**

An Open Communities Experience

November 7, 2019 @ 6pm

Our Town Theatre (Oakland, Maryland)

The event is free and open to everyone who lives,
works, or plays in Garrett County, Maryland.

OUR COMMUNITIES MATTER.

Share your voice, share your story.

Join us for the evening kick-off of a new, first-of-its-kind experience designed to explore and celebrate the voices of our communities - sharing stories, camaraderie, and exploring both our heritage and direction for the future of our unique Appalachian home.

Participants will enjoy a **free catered meal**, create collective expressions that showcase the resiliency and spirit of our communities, and will learn about **mini-grant opportunities to fund projects in their hometowns.**

Due to the anticipated demand for this event, and provided meal, **participants are required to register online at: <http://bit.ly/impactgcevent>**
(Need assistance? Call 301-334-7777.)

Our collaboration through the Robert Wood Johnson Foundation Culture of Health Prize Alumni Network is supported by a County Health Rankings & Roadmaps Community Collaborative Learning Fund award.

IMPACT Garrett County

Project Application

Impact Garrett County is a collaborative effort formed by the Garrett County Health Department's Population Health Innovation & Informatics unit, Ideas xLab, and the Garrett County Arts Council to channel community voices as we explore the intersections of art and health, infusing hopefulness.

This Request for Proposals (RFP) application is available to anyone who lives, works, or plays in Garrett County, but at least one member of each team must be a Garrett County resident to be awarded funds, and the projects must occur within a Garrett County zip code.

Projects will be reviewed by committee, with a focus on prioritizing projects in different communities, while funds are available, in order to increase opportunities for individuals to participate across the county.

All proposals must be submitted to Shelley Argabrite via email (shelley.argabrite@maryland.gov) or mailed directly/dropped off to the Garrett County Health Department no later than 12pm on January 13, 2020. Approved applicants will be notified by January 20, 2020, and funds, if applicable, will be distributed to approved applications as soon as possible.

Approved projects must join the IMPACT Garrett County action group on mygarrettcountry.com to participate in the culminating event and have their work highlighted to our project funders.

SAMPLE PROJECT:

Project Name	Sample Project
Team Members (Must include at least one Garrett County resident.)	Person One (Oakland), Person Two (Terra Alta)
