Proper Disposal of Prescription Medications

Medicines play an important role, but when they are no longer needed, it's important to dispose of them properly to avoid harm to others. To dispose of your medications properly, consider the three step process below:

1 Check out the prescription drug drop off boxes detailed on the flip side of this card. Boxes are conveniently located across the county.

2 If your medications are not accepted, visit addictionhappens.org/properdisposal for alternative disposal methods.

3 If you have additional questions, or a question that isn't covered at addictionhappens.org, call the Health Department at 301-334-7730.
